

TRAFFIC AND NOISE ADVISORY

State Street/University Parkway Grade Separation

July 30, 2007 Traffic Advisory #4

Please be aware of construction activities and flagmen working during the State Street/University Parkway grade separation project in San Bernardino.

- **Continuing through September**

Crews are driving large, steel beams into the ground to support the ends of the State Street/University Parkway bridge. Residents, businesses and drivers near the construction site may hear loud, repetitive noise between 7 am and 3 pm, Monday through Friday, during August and September, excluding Labor Day on September 3.

- **Continuing through September**

Crews will continue to transport construction materials along Cajon Boulevard, resulting in brief, periodic lane closures between 7 am and 3 pm, Monday through Friday, during August and September, excluding Labor Day on September 3. Flagmen will be on the road to assist with directing traffic.

San Bernardino Associated Governments appreciates your patience during construction of this new bridge. Please allow extra time when traveling through this area and follow all flagmen directions, signs and detour routes.

For more information, please visit www.sanbag.ca.gov and click on the “Active Projects” section of the website or call (909) 875-6029 x216.

Project Benefits...

- ▶ **No more waiting for trains!**
- ▶ **Easier access to homes, businesses & Cal State**
- ▶ **Improved air quality**
- ▶ **Safer intersections**
